

# 8-Day Natural Building Workshop

16 (10:00) - 23 June (16:00), 2010

Zenshaus, Lychen (90km North of Berlin)

Come Dance in the Mud!

Experience the amazing Czech-invented Cob Machine and learn about natural building techniques and tricks!

We'll create a wonderful Rocket Mass Heating Bench!!

One of the most effective ways to burn wood to heat mass. It burns like a rocket! and will make you rethink everything you thought you knew about fire, drafts, chimneys, etc.

a Rumford Fireplace

that reflects more heat and produces less smoke than traditional fireplaces

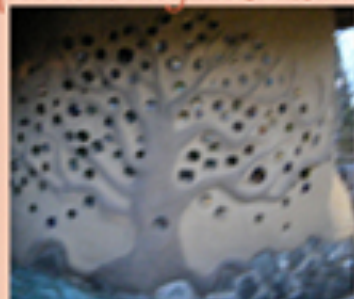

and...

an Earthen Bread Oven

...as well as building cob walls and Learning about plastering and finishing methods

and time permitting, we may complete...

one layer of an earthen floor

Instruction in German and English by our International team of experts
